In Our Prayers...

Pray for all of those who will be attending **Rockford Christian Camp** for these next two weeks. Pray for everyone's safety and for mild weather. Pray that the staff will work together to serve the campers and that all will grow spiritually during their time together.

Obadiah Doka's situation in Nigeria grows worse. The Christians are in grave danger. The school was broken into and all of the computers and other items were stolen. The motives for the terrorism is to inject fear so they will move to southern Nigeria. Some have stopped worshipping.

Rachel Goodman (Jinkerson) is recuperating at home and has been able to be out and about since her surgery. Once they receive test results they will decide if she needs radiation.

Sue Lake, Marion's sister-in-law, is having serious issues with her liver. **Sue's mother, Nola**, has diabetes and has a sore on her leg that is not healing. Several other members of Marion's family are also having health issues.

Sign Language

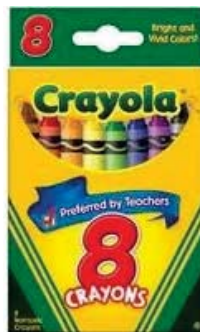

Maxine Garon has graciously offered to teach us some sign language to be able to better communicate with Joyce Eakins. These classes will take place during our regular Wednesday evening Bible classes on August 8, 15 and 22. Everyone, of all ages, is encouraged to attend. A sign-up sheet will be available soon so we will know how many people are interested and how many handouts to copy.

High School Graduates

Bibles were purchased to give to **Rachel Hearn and Daniel Henkel** to celebrate their high school graduation. The Bibles are located on the bulletin table in the foyer. Please highlight your favorite verse(s) and write your name next to the verse.

Supplies for Honduras

Please bring coloring books (not thick) and 8-pack crayons for our mission team to take to Honduras. A box for your donations is available under the bulletin table in the foyer.

Bible Class Teachers

Wipe-off boards have been added to a couple of the classrooms. Please use only dry-erase markers and an appropriate eraser. These will be provided soon for all of the classrooms. **Of special note: do not use** regular markers or Windex on the wipe-off boards. The black Expo markers work the best.

Teachers Workroom

We are so grateful to Julie Dean for organizing our Teachers Workroom. It was a noticeable difference to the VBS staff while preparing for their classes and activities. We do ask, however, that the bins would not be removed from the workroom. There are plastic totes that you can use to carry items out of the workroom to take to your classroom. There will be a couple of other instructions posted in the workroom soon. Thank you!

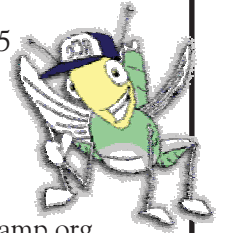

Frances helped with our crafts "Hat project."

Pepperdine Lectures

A binder, "Living Between the Times" is located in the foyer. It includes the program from the Pepperdine Lectures. Recordings of all of the lectures are available for you in Mp3 format. There are several options available for you to obtain the files. Just let Chuck or Sally know if you are interested and your preference.

- We can save specific lectures to your flash drive. Indicate those you prefer and make sure your drive is labeled with your name.
- Mp3 files may be e-mailed to you. Just send Sally an e-mail to sally@wcfamily.org.
- All of the files can be saved to a disc or 12GB flash.

Campbell Soup Labels

A box is available in the foyer for Campbell Soup Labels to be sent to Shults-Lewis. The most important portion of the label is the UPC bar code. Please include that portion when clipping labels.
